This diagram illustrates the assembly of a mechanical component, likely a conveyor belt or a similar material handling system. The main assembly is shown in an exploded view, with various parts labeled with numbers 1.1 through 1.21. The components include:

- 1.1:** A long, flat, rectangular base plate or support structure.
- 1.2:** A series of small, circular rollers or wheels mounted on a track.
- 1.3:** A small, rectangular component, possibly a guide or a stop.
- 1.4:** A small, circular component, possibly a roller or a pin.
- 1.5:** A small, rectangular component, possibly a guide or a stop.
- 1.6:** A small, rectangular component, possibly a guide or a stop.
- 1.7:** A small, rectangular component, possibly a guide or a stop.
- 1.8:** A small, rectangular component, possibly a guide or a stop.
- 1.9:** A small, rectangular component, possibly a guide or a stop.
- 1.10:** A small, rectangular component, possibly a guide or a stop.
- 1.11:** A small, rectangular component, possibly a guide or a stop.
- 1.12:** A small, rectangular component, possibly a guide or a stop.
- 1.13:** A small, rectangular component, possibly a guide or a stop.
- 1.14:** A small, rectangular component, possibly a guide or a stop.
- 1.15:** A small, rectangular component, possibly a guide or a stop.
- 1.16:** A small, rectangular component, possibly a guide or a stop.
- 1.17:** A small, rectangular component, possibly a guide or a stop.
- 1.18:** A small, rectangular component, possibly a guide or a stop.
- 1.19:** A small, rectangular component, possibly a guide or a stop.
- 1.20:** A small, rectangular component, possibly a guide or a stop.
- 1.21:** A small, rectangular component, possibly a guide or a stop.

The diagram also includes several inset views showing detailed views of specific components and their assembly. A large watermark 'www.nitymachinery.com' is visible across the image.

## RGV4209020000K-1

Exploded view diagram of the C3D\_RGV4209020000K\_K FAN ASSEMBLY (RGV4209020000K-1). The diagram shows the fan assembly with various components labeled with numbers 1 through 24. The components include a fan wheel (1), a fan frame (2), a fan housing (3), a fan motor (4), a fan shaft (5), a fan bracket (6), a fan support (7), a fan base (8), a fan cover (9), a fan guard (10), a fan housing (11), a fan motor (12), a fan shaft (13), a fan bracket (14), a fan support (15), a fan base (16), a fan cover (17), a fan guard (18), a fan housing (19), a fan motor (20), a fan shaft (21), a fan bracket (22), a fan support (23), a fan base (24).

## C3D\_RGV4409090000\_K PARKING BRAKE RGV4409090000

This technical diagram illustrates the exploded view of a parking brake assembly. The components are numbered 1 through 14. The assembly includes a main lever arm (1) connected to a pivot point (2). A spring (11) is attached to the lever arm. A cable (14) is connected to the lever arm and a bracket (10). The bracket (10) is secured with a pin (6) and a washer (7). A spring (13) is attached to the bracket (10). A pin (4) is used to secure the lever arm (1) to the pivot point (2). A spring (12) is attached to the lever arm (1). A pin (3) is used to secure the lever arm (1) to the pivot point (2). A pin (5) is used to secure the lever arm (1) to the pivot point (2). A pin (8) is used to secure the lever arm (1) to the pivot point (2). A pin (9) is used to secure the lever arm (1) to the pivot point (2). A pin (13) is used to secure the lever arm (1) to the pivot point (2). A pin (14) is used to secure the lever arm (1) to the pivot point (2).
